Notes

Hello Mr. Caron,

As discussed, travel to Halifax, Nova Scotia, to attend the Bi-Annual Federation of Law Societies National Family Law Conference July 22nd-26th,2024. Attending the conference will provide Continuing Professional Development "CPD" hours towards the annual required CPD hours by the Law Society of Ontario. In addition to CPD hours the NFLP will provide an update on the latest developments in Family Law and enhance my knowledge to provide legal services in the course of my employment. NFLP is an approved program with the Law Society of Ontario.

Lastly, I believe NAN Legal providing quality Family Law services will provide immense benefit to the NAN in the long run. From my perspective when people have stable homes, they are then able to focus on employment and education. Should there be a time where we need Family Law coverage, due to illness or the like, I would then be in a better position to assist.

Thank you for your consideration.
