Notes

On July 12 with a Client B.R from 2:30 to 4:30pm, we handed out cold waters to the homeless encampments within the city of Thunder Bay. With the heat warning, we both figured it would be a great way to understand the "humility Teachings" and B.R enjoyed himself. We later made plans to harvest some Sage on the 22nd to 26th week.
While delivering a case of cold water, i slipped and a case of cold water fell on to my feet. I thought nothing of it because it didnt hurt but i learnt it did do damage.
I went to the hospital on Monday 15th, 2024 and was told i had two fractures in my right toe next to the big toe. I was told to rest and let it heal and which i did.
