2023-09-05 - 2023-09-05 / Lieu Time Saturday August 26, 2023 (8 hours): 9:30am-5:30pm Last Saturday I was emailing and calling charters to try to arrange a bereavement charter for the Edwards family. I put in a request with a charter company Charter Connexions Friday August 25, 2023 and they answered me on Saturday letting me know they could not accommodate us. Due to this, I was manically trying to find a last minute charter and thankfully after calling almost every charter service and being told they could not help us I received a call from the family that they needed the charter a day later than originally planned. I then started the process over of calling and emailing every charter company with the new date. Luckily, Wasaya was able to accommodate us on the new date as they were not able to accommodate us on the original date. While I was working on Saturday I was also forwarding the flight check in emails to the LAO group of staff that travelled on Sunday August 27, 2023.	8.00
