Good afternoon

After much consideration I have decided to move on from My Journey Back Home Program within NALSC. Please know that I did not make this decision lightly and put a great deal of thought into what is right for me at this time. I have enjoyed my time building relationships with my clients and I'm extremely thankful to have been a part of their journey. I will be using the next two weeks to notify them personally of my resignation and offer support where needed.

Please note that my last day of work will be on February 10 2023.

Thank you for allowing me the opportunity to help build this program and be the Aftercare Worker for MJBH - I truly hope this program finds a way to continue.

Kindly,

Kristy Martyn
