Good day

After much thought and consideration, it saddens me to write this...

Please accept this letter as formal notification that I am resigning from my position as a Pre-Charge Worker within Nishnawbe Aski Legal Services effective immediately. This decision did not come lightly but I appreciate the opportunity you have provided me during my tenure.

I'd like to thank you for everything you have done for me during my short time with RJ and throughout out my employment within NAN Legal.

Please connect with me on a time convenient for you to discuss returning all NAN Legal equipment including cell phone, laptop etc..

Again, I truly appreciate the kindness and compassion I received from management and staff. You will all be dearly missed.
