Service Canada delivers Employment and Social Development Canada programs and services for the Government or Canada.
Service Canada has already received a copy of this electronic Record of Employment. Do not submit a paper copy of this Record of Employment to Service Canada.

Important Information and Instructions for Employees

What is a Record of Employment?

The Record of Employment (ROE) is a form your employer must complete when you stop working. Your employer has to issue the ROE to you, even if you do not intend to apply for EI benefits. On the ROE, you will find details about your work history with your employer. You do not need your ROEs to apply for EI benefits. If you delay filing your EI claim for more than four weeks after you stop working, you may lose benefits.

How do I apply for EI benefits?

You can apply for EI benefits online at www.servicecanada.ca or by visiting your nearest Service Canada Centre.

To find the location of your nearest Centre, click on "Contact Us" on the Web site or call 1 800 O-Canada (1-800-622-6232).

What do I do with my ROEs?

After you submit your EI application online, you will need to provide us with any paper ROEs issued to you during the last 52 weeks. We cannot process your application until we receive them. For this reason, you must **submit your paper ROEs** as **soon** as **possible** after you submit your EI application. You can either **mail us your paper ROEs** (the address is provided when you apply for EI online - if you need the address, call us at 1-800-206-7218 (TTY: 1-800-529-3742)) **or drop them off in person at a Service Canada Centre.**

This ROE was submitted electronically by your employer to Service Canada. For this reason, you do not need to provide us with a copy of it. For copies of all ROEs in your name that have been submitted electronically, visit My Service Canada Account on the Canada Web site at www.canada.ca.

What if I'm not planning to apply for EI benefits?

If you are not applying for EI benefits, keep this and all other ROEs in a safe place for two years after the date shown in Block 11.

What do I do if the information on the ROE is incorrect?

If any information on this form appears to be incorrect, talk with your employer right away to correct or clarify it. Do not make any changes yourself.

What does the information in Blocks 15A, 15B, and 15C mean?

- Block 15A, Total insurable hours: The number in Block 15A represents the total insurable hours you worked in a certain number of pay periods.
 See the chart below for the number of pay periods your employer has included, based on your pay period type.
- **Block 15B, Total insurable earnings**: The amount in Block 15B represents the total insurable earnings you received over a certain number of pay periods. See the chart below for the number of pay periods your employer has included, based on your pay period type.
- Block 15C, Breakdown of insurable earnings by pay period: In this block, your employer has broken down your insurable earnings by pay
 period. Line PP1 in Block 15C shows the insurable earnings for your final (most recent) pay period. For pay periods with no insurable earnings,
 your employer will have entered "0" (zero).
