Dear Ms. Doliska:

RE: Jennifer Stienke

We acknowledge receipt of your letter dated November 27, 2023.

We have serious concerns regarding the recommendation and the facts which informed said recommendation. Can you please let us know the following:

1. your knowledge of Ms. Jennifer Stienke's job duties and responsibilities;

2. when did she start experiencing stress entering the workplace

3. what occurred on November 24, 2023 to cause "...notable difficulties in all aspects of her daily functioning and an increase in stress and anxiety when entering the workplace."

Thank you for your cooperation providing the information above while we work to address this situation.

Sincerely
