Please accept this letter as notice of my resignation from my position as Community Release Reinterrogation Worker. My last day of employment will be September 16, 2022

It has been a pleasure working with you and your team over the last year and a half, The decision to pursue another job opportunity wasn't easy but I decided to relocate to live near my mother. Also, I feel that if I continue working at home, I am not able to perform my job duties 100% without an office space within the community because I'm not able to meet clients as I want to at home. I will make certain that all reporting and records are updated before my last day of work.

thank you again for the opportunity to work for NAN Legal. I will miss working with everyone and it was a pleasure of meeting you all. and I wish the staff all the best and hopefully I get to work with you in the future again.

Sincerely,

Christina Edwards
