To Whom it May Concern

Dear Sir/Madam

Re: Ashley Lefebvre Mar 5, 1991 Age: 33 yr
705-288-7046 (H)

This pleasant 33 y F was assessed in clinic today and given her high risk pregnancy history we advise against flying at this time.

Sincerely

Yours truly,

A handwritten signature in cursive script that reads "Tanya Tremblay".

Dr Tanya Carol Tremblay
