Please complete the following information to help prepare for your performance review. Use the spaces provided to include appropriate comments about your job and your performance.

1. What do you consider to be the top three to five priorities of your job as you understand them?

- Helping the youth when they need someone to depend on.
- Helping them finish what they need to do regarding court.
- Helping the youth when they need one on one talks.

2. What do you see as your greatest accomplishment or successful efforts since the beginning of your employment with Nishnawbe-Aski Legal Services Corporation?

Doing the activities with the youth. The expression on their faces when they complete a task. That feeling is priceless, as they feel so amazed on what they did.

3. In what area or areas would you like to gain more experience, training or education?

- I am learning as I go. I still find it hard at times when planning cause the dates I pick usually falls with something else.
- More training regarding my work title on what to do and what resources are out there.

4. What activities or trainings have you participated in to develop yourself professionally?

I have participated with other departments with youth activities.
I have helped with other coworkers organize events such as sports and donated prizes.

5. What could you do to perform your job duties and assigned tasks more efficiently?

I would benefit a place of our own to do more activities with the youth. Our community is always booked by others and there's really no space is what I notice. Our own building would be great to have in the future.

6. What are your primary goals and objectives for your position and program as a Youth Intervention worker?

To provide more needs for the youth.

To provide more fun activities as it keeps them busy.

Help them stay out of trouble cause being busy helps them focus on moving forward.

7. What kinds of professional development activities would you like to do during the coming year?

I was thinking of doing a survey with the youth. I wanted to find out what they would like to see or do in the coming months. If possible maybe take a group out on a trip as some hardly go anywhere. Example: Zoo, shopping, movies, fairs, etc.

8. Other Comments:

I really didn't know much what I was suppose to do regarding my job title but I am slowly learning as I go. I am getting help with co-workers which is awesome. I have come to enjoy this job as I have worked with youth before as I was a teacher for many years.
