

Personal Protective Equipment (PPE) Acknowledgement

I, Irene Linklater, acknowledge that, where a COVID-19 risk assessment has determined that PPE is required for employee safety, the wearing of PPE is mandatory, as per section 28.(1)(b) of the *Occupational Health and Safety Act* unless accommodation is required under the *Ontario Human Rights Code*.

I have had the opportunity to identify to my manager any existing health or disability-related restrictions and/or religious restrictions that prevent me from safely wearing PPE as required, and to make appropriate alternate work arrangements.

Prior to being issued personal protective equipment (PPE) by the employer, I have received and understood the employer's information and instructions related to:

- the hierarchy of controls,
- the purpose, function, and limitations of PPE, and
- the correct storage, use and disposal of PPE.

****All of the above are in the attached document**
