Dear Miss Toset:

Thank you for your Application for Registration under the *Indian Act* dated January 20, 1993 and received January 28, 1994.

I am pleased to confirm that you are now registered as an Indian in accordance with section 6(2) of the *Indian Act* under the name Heather Theresa Toset, born on July 28, 1963.

Under the provisions of section 10 of the *Indian Act*, the Lake Nipigon Ojibway First Nation Band has assumed control of its own membership. Therefore, all decisions on who can become a member of the Lake Nipigon Ojibway First Nation Band are made by the band itself in accordance with the membership rules it has established. Your application for band membership should be sent to:

Chief and Council

P.O. Box 241
Rocky Bay Reserve
Beardmore, Ontario

Questions about any benefits other than non-insured health benefits should be referred to the same address.

Registered Indians living in Canada are eligible to receive limited number of health-related benefits from the Department of Health. For further information about these benefits and how to obtain them, please write to the Medical Services Branch of the Department of Health at the following address:

NIHB Manager

Medical Services Branch
Health Canada

Health Canada must provide information regarding your registration to Blue Cross, the agency that processes claims and makes payments for some services on its behalf. Please allow 6-8 weeks for your information to be communicated to Blue Cross.

I would like to add that, should you disagree with this decision, you may submit a protest within three years by providing notice in writing to the Registrar stating the grounds for the protest. These grounds should specify how, in your opinion, the Registrar has failed to correctly apply the registration provisions of the *Indian Act* in your case or which points of information which you have provided have not been taken into account by the Registrar in reaching her decision. Further, there must be evidence that an application for registration as an Indian was made and a subsequent decision was rendered by the Registrar with regards to the case under protest.

Yours sincerely,

Terri Harris
