Attention to All Restorative Justice Staff:

Due to understaffing, several staff were asked to take on additional RJ responsibilities in order to compensate for the lack of staffing. We are working to eliminate these “dual positions” for the sake of clarity regarding supervision and reporting, now that confusion has become a large factor among the staff. Effective immediately, the following changes to east side coverage will take effect:

- **Troy Williams** will complete any outstanding RJ referrals and upon completion will resume regular YI activities
- **Jordon Akiwenzie** will complete any outstanding RJ referrals and upon completion will resume regular Bylaw activities
- **Melanie Mohan** will complete any outstanding SADV referrals and will resume regular RJ activities. All SADV files that go beyond the scope of what RJ staff are able to facilitate or that require IIPVP/PARs programming can be referred to **Alana Odawa**

For further clarification, please see the following breakdown of teams and positions:
