- ☐ Conservative Aboriginal (28 or less)

Time Horizon

Once you have determined which risk tolerance category you are, your next step is to determine the amount of time that you have until you retire. Please keep in mind, the minimum age for retirement is 55 and that the normal retirement age is 65.

Where do I invest my money?

Once you have determined your risk tolerance and you know how many years you have until you retire, you are ready to invest your funds. If you fail to select an investment fund or your investment instructions received by the carrier are incomplete, your funds will be invested in a Default fund (e.g. Money Market fund).

NOTE: For those members that have less that three years to retirement, please contact WP Financial directly at 1-888-899-6956.
