Hello Lee,

I am officially registered as an Indian! Whooohooo! LOL.

Anyhow, INAC said I can start being tax exempt as of the date my number was issued. I am wondering if you know of anything different? For example, do you think NALSC would reimburse me from the time I applied?

My number registration # is 2190112301 and it was issued on July 20, 2011. Should I fax a copy of my card to you? Or are there any forms I need to fill out?

Let me know what will happen and what I need to do.

Take care and talk to you next week,

Leahan
