Dear Ken,

Thank you for taking on the added duties of the Restorative Justice Worker in covering both Kashechewan and Fort Albany. The Restorative Justice program has now hired staff to take on these responsibilities and is at full capacity.

Therefore, please be advised that your annual salary will be adjusted back to your original salary of \$47,562, effective April 12, 2021.

Ken, Nishnawbe-Aski Legal Services Corporation is appreciative of your hard work and assistance during the staffing shortage. Thank you for all your support.

Sincerely,
