Celina

As you are aware my contract is based on a 21 hour work week. I am finding I am putting in more hours than this and I was wondering if we can increase my hours to 28 hours per week for July and August 2011. Come September we can revisit this. I can work the 28 hrs over a 5 day period. Flex hours if possible cuz I have to drive my granddaughter to Magnus Theatre for two weeks July 18 to 29, 2011. What is your idea? TTYL
