Notes

on-campus hotel at the Schulich School of Business building. It's called the executive learning centre and it has nice rooms and breakfast. https://execed.schulich.yorku.ca/about-us/contact-locations/schulich-executive-learning-centre/. If you decide you'd like to stay here, we can secure a rate, I believe

If you choose to stay there, flying into Pearson and then coming to York campus is rather quick and easy.

Ben Berger - Professor advised he will book me a room, I will ask him to send invoice or i will grab it when there.

I will be picked up and brought to the campus,
