

Nan Legal Services Community Visit

Scavenger Hunt

and Information Session

Date: Monday, April 22nd @ Log Building

Dinner and Event: 4-6pm

(Followed by youth movie/game night)

Nan Legal has many programs and services to offer Matachewan First Nation and we are hoping to inform/educate as many people as we can while we are there (we will have tables set up with pamphlets on each program and staff to be able to answer questions).

- ✓ We would love Leadership to be there to provide feedback, suggestions, concerns.
- ✓ We would love Community Members, and Frontline Workers to see all the programs we have to offer .
- ✓ We would love Youth to also be aware of programs and to perhaps offer insight into programming they would like to see in their community that we could help with.

There will be lots of prizes to be drawn!
