Notes

Monteith asked for a lunch for this client only. Julie was referred by Natalie Lavoie MCC. Julie is in isolation until March 21st. I called Mikes to have a double lunch delivered to her room on the evening of March 20th as she takes the bus to Thunder Bay March 21st. I will double check with them that day to confirm the delivery. I spoke with Julie and she told me she was on saboxone but its a Sublicaid injection given once monthly due today. I spoke with Joanne Neill Nurse at MCC who will look after this with Dr. Bellemare, the MCC Dr. Julie was concerned about her Income Tax refund of \$446.25 which she had a receipt for from MCC. I emailed and called MCC about the cheque. That cheque along with a letter from her lawyer will be sent to her Grandmothers address in Thunder Bay. Julie will also be picked up by a NAN driver as she had no way home with no plan. MCC arranged and paid for bus travel to Thunder Bay. Client is in isolation at Bon Air until March 21st.
