**Notes**  
This client was referred by his sister and Community Member Marina Kataquapit. Marina is the lady who gives approvals to return to Fort Albany. I spoke with Gordon at 6:00 p.m. and he told me the courts told him he could be released today after three months if he took on the expense of getting himself home. If not he could go back to Monteith for ten days and Monteith would pay for his trip home after the ten days were served. I'm not sure at this point what happend but I will be speaking with the probation officer tomorrow who was in court. He is paying for his own room at the Bon Air this evening as he already checked in but I told him to go to the Senator tomorrow. The first available flight is April 5th.
