Notes

Late release referred by Nancy Cooper. This client can stay at his sister's home for one night, tonight, July 12th she has no room to keep him for a week. I have advised MCC of this flight also. She said he had to go to the Senator tomorrow. I told her I would get back to her. The earliest possible flight out is July 20th. I immediately booked the flight and asked to be put on a waiting list.
