Notes

Client referred by George Hookimaw, Attawapiskat Community Member and Covid Coordinator. Georges wife was at Timmins airport and recognized client who is low functioning, serious mental health issues (schizophrenia) and was stranded at the Timmins Airport. He was standing in the wrong line at the airport and missed his flight. MCC had worked on his Travel Plan, a flight. George took Bruce to his Aunt Marias house in Timmins. He called me with Marias number. Maria said Bruce can stay with her until the 21st when his flight goes out and her son will take him to the airport and stay with him until he gets on his flight. Bruce was one of our clients who had been at the Bon Air for almost three months last year and I met him a number of times. His mental health issues are significant and his capacity to be on his own is very low. This worker will check in with Maria the day before the flight to make sure Bruce will be transported to the airport. Marias address is 147 Sterling Avenue Unit 7 Timmins, her phone number is 705-288-9120 George was very thankful and appreciative that Bruce would be looked after.
