Notes

Clients plane was diverted back to Thunder Bay, extreme weather conditions. Wasaya booked him into a hotel. Client self referred today Dec 2. Missed his rebooked flight, slept in no wake up call. Larry Armstrong took client to Salvation Army at my direction, they referred him to Shelter House. Larry will pick client up on Dec 6th and take him to the Thunder Bay Airport at 2:00 p.m. Client is supposed to stay in touch with this worker for pickup location. Notified lawyer Kristen Jones who applied for a variance in dates so that he will not be in breach of his bail. Dec 2nd to Dec 6th allowed until he flies home. Larry Armstrong to feed him as he hasn't eaten since yesterday. Instructed Larry to pick clients belongings up at the airport and to feed him and keep the receipts. Dec 2, Community of Sandy Lake providing lodging for client for 1 night Dec 2 at Vic Inn. Dec 3rd 4th 5th NAN will provide lodging as Deputy Chief did not get back to the client who is low functioning and said nobody wants him. Will provide Skip The Dishes for him.
