Notes

Client stated she was refused bus travel because she told the bus driver she was covid positive, 2nd booking client said she was too sick to travel, this worker spoke with Moose Factory Hospital who said she could return home if she self isolates, she agreed to that, flight booked for her and I advised Rita the nurse at the hospital Shaylon was flying home.

client did not take her taxi and did not board her flight Sept 23 her sister reached out to me and asked for more nights at the Bon Air and another flight, I told the sister and Mom it was Shaylons final opportunity to get home and we could no longer house her and feed her and continue with the transportation losses Shaylon chose not to fly home on the 23rd.
