Notes

Client self referred after being on streets in Timmins then made her way home after missing 3 taxi, 2 trains and a flight home to Moose Factory. This worker agreed to assist with detox travel arrangments and she will be attending treatment for about 3 months after. Seeing that she is determined to come clean after many phone calls back and forth this worker agreed to assist. She is very very grateful and thankful and determined. Will board train in Moosonee Oct 19th, will be picked up by Dave Cloke Taxi at train station and driven directly to Detox.
