Notes

Owner of 67 Records, Jeremiah Otis, also known as, J.Otis, will be coming in on Saturday July 20th, to shoot a podcast for his Healing Through Music Workshop.

The workshop helps provide positive coping skills and tools to youth that they can use in response to crisis or trauma through facilitation of songwriting and music production workshops. They are Indigenous-led and aim to connect youth interested in music with mentors, producers, and artists in the music industry.

Their aim is to facilitate these workshops across various First Nations communities across Canada, starting with the Mushkegowuk regions.
