Notes

This request was originally for the Boyz of the Summer men's baseball tournament, which was on July 30 to August 2, but did not get the deposit until the following week (Aug7), so we planned to buy and distribute the water and Freezies during our local ladies & mens baseball tournament that was suppose to happen the following weekend, August 3-6, but due to stuff happening in the community, it had been postponed to the weekend of August 15-17, 2024.

We eventually got the mini local tournaments going. Water, Freezies and also added snacks were distributed to the kids and youth that came to participate in baseball, hang out/watch, and just be kids and play around the field.

Snacks were later bought when we had realized that some of the kids would come around hungry, asking for snacks or money, so we bought some & gave them a snack, but we also encouraged them to go home to eat and come back. Snack distribution was for the one day only, as we were limited too. Which they listened & had went home that weekend, and came back.
