# Notes

Following up on a few items:

- 1. When will remainder of items be moved to new location, we need the water dispenser and supplies
- 2. We will need dehumidifier for new office, the musky smell is starting to be bothersome.
- 3. When will the paper be delivered as we are in starting to run out.

We do have a few boxes that are empty at the new office if you need them to move the remaining items.
