Notes

Lakeisha Meekis - Says that her office in the area has the smell of gasoline through out the building. Where is the lease for this? Contact the landlord and find a solution for this. In the meantime please see if it is possible for Lakeisha to work from Bobby Neshinapaise old office or Stephanie Fiddler. If the office is unusable we will need to find new space. FYI Evangeline will be going up to sandy lake next week. reach out o her to connect with the first nation.

Response

Temporarily moving Lakeisha out of that particular office and into another one until renovations have been completed on the old office.
