Notes

Extenstion 218 at teh Timmins office is unusable adn the passsord may have to be reset

- was told by Avaya rep today that she looked up our customer profile and we do not have a maintenance agreement with them.
- -If they were the ones who would have installed the phone system in Timmins, they would have also provided training so staff would know what to do but they did not install the system either.
- -I will also email Shemumniel (teck) a request to also train April and any other staff while he is there.
