[VIEW DETAILS OR MODIFY](#)

You may be renting or driving in an area with toll roads. We offer optional TollPass products at participating locations that allow you to breeze through tolls without stopping to pay cash. Some toll plazas are electronic only and do not offer a cash payment option.

Learn more about our [TollPass Program](#) and what areas it covers.

Rental Policies

Additional Driver

Renter's spouse or domestic partner who meet the same age and driver's license requirements of the renter are authorized drivers at no additional charge. Any additional authorized drivers must appear at time of rental and meet age and driver's license requirements. An additional charge of \$10 per day for each additional authorized driver will be added to the cost of the rental, unless other contractual conditions apply.

A spouse or domestic partner is the only permitted additional driver on a rental secured with a debit card.

After Hours Service

Return vehicle to the airport rental car parking area. Park in a designated Enterprise parking space. Place keys in the drop box located at the Enterprise counter inside the terminal.

Age Requirements

Please see the Renter Requirements policy for age requirements and youthful driver charges.

Damage Waiver

Damage waiver (DW) for this branch ranges between \$22.99 and \$39.99 per day. - DW is offered at the time of rental for an additional daily charge. If the renter accepts DW, Enterprise waives or reduces the renter's responsibility for loss of, or damage to, the rental vehicle (including but not limited to towing, storage, loss of use, administrative fees and/or diminishment of value) subject to the terms and conditions of the rental agreement and applicable laws. DW is not insurance. The purchase of DW is optional and not required to rent a car. The protection provided by DW may duplicate the renter's existing coverage. Enterprise is not qualified to evaluate the adequacy of the renter's existing coverage; therefore, the renter should examine his or her credit card protections, automobile insurance policies or other sources of coverage that may duplicate the protection provided by DW.

Personal Accident Insurance / Personal Effects Coverage

Personal Accident Insurance – Personal Effects Coverage – THE PURCHASE OF PERSONAL ACCIDENT AND PERSONAL EFFECTS INSURANCE (PAI-PEC) IS OPTIONAL AND OFFERED AT THE TIME OF RENTAL FOR AN ADDITIONAL DAILY CHARGE. THE PAI-PEC IS NOT REQUIRED TO RENT A VEHICLE. PLEASE READ THE CERTIFICATE OF INSURANCE WORDING CAREFULLY FOR A FULL DESCRIPTION OF COVERAGE AND EXCLUSIONS. The PAI coverage provides renter and renter's passengers with accidental death, dismemberment, and accident medical expenses and ambulance expense benefits. The PEC coverage insures the personal effects of the renter, additional drivers, or anyone who is travelling with the renter against risks of loss or damage to personal effects. Benefits are payable in addition to any other insurance coverage the renter or passengers may have. The coverage provided by PAI-PEC may duplicate the renter's existing coverage. Enterprise is not qualified to evaluate the adequacy of the renter's existing coverage. Therefore, the renter should examine his or her personal insurance policies or other coverage(s) that may duplicate the coverage provided by PAI-PEC. This is a summary only. PAI-PEC is subject to the provisions, limitations and exclusions of the PAI-PEC policy, which is underwritten by AIG Insurance Company of Canada. The premium for PAI-PEC is 6.99 CAD per day.

Refueling Service

As a customer, you have a choice as to how you would like to pay for fuel.

Option 1- Prepay Fuel

This option allows the renter to pay for the tank of gas at the time of rental and return the tank empty. No refunds will be issued for unused gas.

Option 2 - We Refill

This option allows the renter to pay Enterprise at the end of the rental for gas used but not replaced. Price per gallon will be higher than local fuel prices.

Option 3- You Refill

This option allows the renter to return the vehicle with the same amount of gas as received to avoid extra fuel charges.

Roadside Protection

Renter may purchase Roadside Assistance Protection (RAP) from Owner for an additional fee. If Renter purchases RAP, Owner agrees, subject to the actions that invalidate Damage Waiver, to contractually waive Renter's responsibility for the cost to provide 24/7 roadside assistance (where available) which includes replacement of lost keys (including remote entry devices), flat tire service (if no inflated spare is available, the vehicle will be towed. Cost of a replacement tire is not covered by RAP), lockout service (if the keys are locked inside the vehicle), jumpstarts, and fuel delivery service for up to 3 gallons (or equivalent liters) of fuel if Vehicle is out of fuel. Roadside Assistance Protection services are only available in the United States and Canada. If Renter does not purchase RAP, or RAP is invalidated as set forth above, roadside assistance will be available, but standard charges will apply. RAP does not apply in Mexico. For roadside assistance call 1-800-307-6666.

Please see your negotiated contract agreement for rental policies.
