Hi Carly,

I think I gave you one too many spaces in the "Project" section of the stamp in the last proof.

Here is the proof again with 5 spaces like you originally requested.

Cheers,  
Mat

Hi Carly,

Here is a proof of the stamp at 6cm x 4.5cm. Please have a look  
to ensure that everything is correct and that this size and format  
will work for you.

Cheers,  
Mat

Hi Shirley,

It is okay if you must make the width of the stamp bigger as it will not affect the space it is being stamped onto. Thank you for your help.

Kindly,

Carly

Hello,

I have attached a clearer view of the stamp with the size of the space we need. If you look underneath the “Cost Centre” and “Project” columns, you see I have added the number of spaces we will need.

I will give you a call now to chat about it.

Good morning Carly:

Thank you for the email.

We would have to re-design the stamp to increase the rows that you are needing.

How big is the space that you have for this stamp?

We also would need a clearer picture of the stamp to get all the wording correct.

Please advise.
