Re: Digital Document Printer Proposal

Further to your request I am pleased to provide the information on new copier systems which will allow you to make a decision based on your business needs:

Proposed Solution

The installation of a new copy system from Wilson's, regardless of which one you select, will result in the following benefits to your organization:

- 1) **Reliability** - Tested and proven products backed by professionally trained local sales and service representatives.
- 2) **Productivity** - Feature for feature, our copy solutions are consistently rated by third-party testing organizations as tops in their field in terms of productivity.
- 3) **Quality** - Whether your copier is new or newly remanufactured, if you're not satisfied with the quality of each print, we'll fix the problem or replace the unit at no cost to you.
- 4) **Vendor commitment** - Wilson's was established on principles of integrity and respect. You, are more than a customer to us, you are our business partner. We have worked hard over the years to bring you reliable products and service at a fair price. A quick sale is not our goal. A beneficial and lasting business relationship is.

Yours truly,

WILSON'S BUSINESS SOLUTIONS
