### Notes

I was misinformed that Cecilia's original fare included her baggage because the Porter representative must have thought I was talking about a carry on.

Cecilia had to pay for her baggage on her departing flight from Thunder Bay to Timmins and she is going to claim the \$53.11 on her travel claim.

\*I went in to her reservation and added a checked bag for her return flight home Timmins to Thunder Bay on June 1, 2023. It costed a total of \$47.46\*
