## Confirmation of Services

It is important to note that Air Canada can only confirm services that will be provided on flights operated by Air Canada, Air Canada Rouge or Air Canada Express. For services on flights operated by other carriers, you must contact the other carrier directly to request and confirm any accessibility-related services.

## Fare rules Summary

Voluntary changes to your itinerary may require the payment of additional fees and fare upgrades. If you are travelling on a non-refundable ticket, Air Canada will be unable to make exceptions in the event of an unexpected trip cancellation or medical emergency. We recommend the purchase of travel insurance. Tickets are non transferable.

Seat selection charges are per passenger and apply to each individual one-way flight segment in your itinerary. Flight segments are identified by a change in flight number, with each new flight number representing a flight segment. Taxes are not included.

Please note that you may be moved from your selected seat without notice in the event of an involuntary schedule or airport change (e.g. flight disruption, cancellation), to accommodate a passenger with a disability, or for any other reason that requires Air Canada to move you prior to departure or during the flight. If you are moved from your seat for one of these reasons, you may request a refund for your seat charges. We invite you to read additional terms and conditions related to seat selection.

Please notify us immediately if you do not plan on taking your scheduled flight(s). If you are unable to change or cancel your booking online, you can reach Air Canada Reservations at 1-888-247-2262 (for international and other numbers, visit [www.aircanada.com/othernumbers](http://www.aircanada.com/othernumbers)). If you do not show up for your flight, the rest of your itinerary will automatically be cancelled.

6. **Dangerous goods**

For safety reasons, dangerous goods must not be packed in checked or carry-on baggage, except as specifically permitted. Dangerous goods include, but are not limited to: compressed gases, corrosives, explosives, flammable liquids and solids, radioactive materials, oxidizing materials, poisons, infectious substances, and briefcases with installed alarm devices. For security reasons, other restrictions may apply. Please refer to the Restricted and Prohibited Items page on our website for more information.

7. Subject to the provisions of the Montreal Convention and the Warsaw Convention, as well as the provisions of its applicable tariffs, Air Canada may refuse carriage of property in checked luggage that is not suitable for transportation, such as fragile or

perishable items and may refuse to carry valuable items (a valuable is deemed to be any item whose value is \$ 1,000 CAD or more, per Kilogram or \$1 CAD per gram). Air Canada may refuse claims based on the inherent nature of an item (e.g. its perishable nature), or for loss or delay of unsuitably or inadequately packed items, to the extent that the destruction, loss or damages resulted from the inherent defect, quality or vice of the baggage, or, in the case of delay, that the carrier, its agents, and servants took all measures that could reasonably be required to avoid the damage, or that it was impossible to take such measures.

## 8. International travel

Governments may require your carrier to provide information on or permit access to passenger data. You cannot travel if you do not have all required travel documents, such as a passport and visa (where applicable), to enter in or transit through each country on your itinerary. Please refer to the Travel Documents page on our website for more information.

## 9. In-flight health

Most people are fit to travel by air, but special attention is required for passengers whose health problems may be exacerbated by altitude, travel stress, hypoxia and other travel related difficulties. Our website offers important health tips and information for customers with special needs who may require medical approval before flying. Please also note that aircraft disinsection is carried out on certain routes, in compliance with the requirements of the World Health Organization (WHO), the International Civil Aviation Organization, Transport Canada and applicable foreign regulatory authorities. More information is available on our website.

## 10. Schedules and timetables

Time and aircraft type shown in timetables or elsewhere are approximate and not guaranteed, and form no part of the contract. Schedules are subject to change without notice and carrier assumes no responsibility for passenger making connections not included as part of the itinerary set out in the ticket. Carrier is not responsible for changes, errors or omissions either in timetables or other representations of schedules.

## 11. Overbooking notice

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and boarding priorities are available at all airport ticket counters and boarding locations.

NOTICE: SOLD SUBJECT TO APPLICABLE TARIFFS

- Any changes made to Air Canada bookings may affect other travel services you may have booked/reserved (i.e. car and/or hotel reservations). It is your responsibility to verify whether or not other travel services are affected as a result of such changes.
- If the flight for which you have a confirmed upgrade has been cancelled and we were not able to rebook you in the Business Class cabin, any eUpgrade Credits or frequent flyer miles/points that were used for the initial upgrade will be returned to your account.
- You can change your new seat assignment on aircanada.com. If you wish to change your new flight, please contact the Air Canada Contact Centre.

## CONDITIONS OF CONTRACT AND OTHER IMPORTANT NOTICES

PASSENGERS ON A JOURNEY INVOLVING AN ULTIMATE DESTINATION OR A STOP IN A COUNTRY OTHER THAN THE COUNTRY OF DEPARTURE ARE ADVISED THAT INTERNATIONAL TREATIES KNOWN AS THE MONTREAL CONVENTION, OR ITS PREDECESSOR, THE WARSAW CONVENTION, INCLUDING ITS AMENDMENTS (THE WARSAW CONVENTION SYSTEM), MAY APPLY TO THE ENTIRE JOURNEY, INCLUDING ANY PORTION THEREOF WITHIN A COUNTRY. FOR SUCH PASSENGERS, THE APPLICABLE TREATY, INCLUDING SPECIAL CONTRACTS OF CARRIAGE EMBODIED IN ANY APPLICABLE TARIFFS, GOVERNS AND MAY LIMIT THE LIABILITY OF THE CARRIER.

***Air Passenger Protection Regulations Notice*** (for flights to, from and within Canada, including connecting flights):

If you are denied boarding, your flight is cancelled or delayed for at least two hours, or your baggage is lost or damaged, you may be entitled to certain standards of treatment and compensation under the Air Passenger Protection Regulations. For more information about your passenger rights please contact your air carrier or visit the Canadian Transportation Agency's website.

Pursuant to these regulations, general terms and conditions pertaining to flight delays, cancellations, denied boarding, seating of children and lost or damaged baggage must be provided by your carrier. For Air Canada, this information can be found in [Air Canada's General Conditions of Carriage and Tariffs](#).

Air Canada applies travel document and animal entry and exit requirements contained in IATA's Travel Information Manual, available on the IATA [Travel Centre website](#).

## **NOTICE of Liability Limitations**

**The Montreal Convention or the Warsaw Convention system may be applicable to your journey and these Conventions govern and may limit the liability of air carriers for death or bodily injury, for loss of or damage to baggage, and for delay.**

**Where the Montreal Convention applies, the limits of liability are as follows:**

1. **There are no financial limits in respect of death or bodily injury.**
2. **In respect of destruction, loss of, or damage or delay to baggage, 1,288 Special Drawing Rights (approximately \$2,400 CAD) per passenger in most cases.**
3. **For damage occasioned by delay to your journey, 5,346 Special Drawing Rights (approximately \$9,800 CAD) per passenger in most cases**

**Where the Warsaw Convention system applies, the following limits of liability may apply:**

1. 16,600 Special Drawing Rights (approximately EUR 20,000; US \$20,000) in respect of death or bodily injury if the Hague Protocol to the Convention applies, or 8,300 Special Drawing Rights (approximately EUR 10,000; US \$10,000) if only the Warsaw Convention applies. Many carriers have voluntarily waived these limits in their entirety, and US regulations require that, for journeys to, from or with an agreed stopping place in the US, the limit may not be less than US \$75,000.
2. 17 Special Drawing Rights (approximately EUR 20; US \$20) per kg for loss of or damage or delay to checked baggage and 332 Special Drawing Rights (approximately EUR 400; US \$400) for unchecked baggage.
3. The carrier may also be liable for damage occasioned by delay.

Air Canada waives its limits of liability for lost, damaged and delayed mobility aids, when such items have been accepted as checked baggage. For more information, please consult our [website](#) and our [tariffs](#).

**Where neither the Montreal Convention nor the Warsaw Convention system applies:** For travel wholly between points in Canada, the liability limit for loss or delay of, or damage to baggage is 1,288 Special Drawing Rights (approximately \$2,400 CAD) per passenger.

Further information may be obtained from Air Canada as to the limits applicable to your journey. If your journey involves carriage by different carriers, you should contact each carrier for information on the applicable limits of liability.

Regardless of which Convention applies to your journey, you may benefit from a higher limit of liability for loss of, damage or delay to baggage by making at check-in a special declaration of the value of your baggage and paying any supplementary fee that may apply. Alternatively, if the value of your baggage exceeds the applicable limit of liability, you should fully insure it before you travel.

Time limit for action: Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived. Baggage claims: Written notice to the carrier must be made within 7 days of the receipt of checked baggage in the case of damage, and, in the case of delay, within 21 days from the date on which it was placed at the disposal of the passenger.

  - Rights of the carrier to refuse carriage to passengers who fail to comply with applicable laws or who fail to present all necessary travel documents.
5. You can obtain more information about your contract of carriage, and find out how to request a copy, at places where transportation on the carrier is sold. Many carriers also have this information on their websites. When required by applicable law, you have the right to inspect the full text of your contract of carriage at the carriers airport and sales offices, and upon request, to receive a copy by mail or other delivery service from each carrier free of charge.
