2022-06-13	Deducted	

## Notes

There are no issues that require coverage during these hours, I am available if needed, working remotely, and will check email and messages. I am travelling to Toronto for the weekend for my mothers 70th birthday, and wanted to make a long weekend, using management hours. The DeBungee hearing concludes in Thunder Bay June 16, and 17, so I will be in Thunder Bay working from June 15 -17.
