## Notes

Over the weekend, on Saturday, January 13, 2024, I worked on writing and editing report for my client. Last work week, I realized how much more editing and my focus was needed on this report. This client is facing a lengthy time, and has told me bravely about the trauma in his childhood, so I wanted to spend more hours focusing on his report. I ended up spending 5 hrs on the report. I timed myself by stopwatch. His next court date is January 22, 2024. I plan to submit it by then.
