While on Leave had agreed to travel to KI to assist with a trial, Alana Odawa, VWL Manager asked if I could go to KI tomorrow. Found out today while off, that the office is effected by flooding in the basement at the other 56 Front Street office. WE have been advised to work from home.

Worker went to office to retrieve laptop and work materials to be able to work from home.

Worker may have to return to office to pick up the printer.

Friday will need to set up my work space at home

Also to prepare to go to KI tomorrow

Had to submit documentation on the HRIS.

Claiming two hours in total.
