To Whom It May Concern:

Re: Adam Mack Jul 3, 1995 Age: 28 yr
705-262-3389 (H)

Mr. Mack reports he tested positive at home for Covid on September 26, 2023.

He has been off work from September 22 to October 3 inclusive.

His symptom recovery from Covid was prolonged likely due to his other chronic health issues.

Yours truly,
