Notes

Legal Counsel Andre Lehoux drove client from Kapuskasing to Cochrane, this worker was unable to get client to Timmins Senator Hotel as there was a snowstorm. Meals were available to client but he only had pop and chips. Vets taxi picked him up next morning at 5:00 a.m. and transported him to Timmins airport to get on his 8:15 a.m. flight. Again credit card authorization form was needed immediately to be able to book the room. This worker used her card. Client was John Tomagatick from Attawapiskat.
