#### Notes

Mr. John Bilton Legal Counsel for this client called to explain that his client's jacket had been stolen with wallet in it. This clients prearranged ride to Kenora for court backed out at the last minute. Under these "special" circumstances this worker did agree to supply client with bus ticket to attend court. Mr. Bilton did mention he would pay for any meals client would need. Client would stay at Homeless Shelter in Kenora for one night to attend court. Lenard Comber did relate to this worker that Mr. Bilton has previously paid for clients meals and travel out of his own pocket and is extremely kind to our clients. As a "one time" courtesy to Mr. Bilton we have purchased a ticket for this client to attend court in Kenora. He was extremely grateful.
