### Notes

There are 2 requests to be reimbursed for my criminal record check. This is because I had to submit my request two times. I submitted my first request for a PVSC -Level 3 but received a letter stating that my request/referral did not demonstrate that I would require a level 3 criminal record check. After submitting a revised letter of request, I did in fact receive my results, which I forwarded to Melissa Schwartz.

I do not know why there is a price difference in the two submissions; I used the same agency that I was directed to, by my local OPP branch, for both.
