Notes
 Before I was sent the orientation document stating that a vulnerable sector record check was required, I had only the employment agreement stating that a criminal record check was required. I went ahead and purchased this criminal record check for \$41. Later I learned that it was the vulnerable sector check that was required. The organization processing the record checks has a no refund policy.
 Update, need actual receipt to show payment JC
 I accessed the receipt by clicking on a link near the bottom of the confirmation page entitled 'Print off Receipt here'.
