**\*\*\*TIRE RECYCLING FEE DISCLOSURE\*\*\***

The tire producer / manufacturer of the tire and Canadian Tire are responsible for the recycling fee charged on new tires. All fees collected go towards the collection, transportation and processing costs of recycling used tires. The Consumer Protection Act, 2002 provides you with rights in relation to having a motor vehicle repaired. Among other things, you have the right to a written estimate. A repairer may not charge an amount that is more than ten (10) per cent above the estimate. If you have waived your right to an estimate, the repairer must have your authorization of the maximum amount you will pay for the repairs. The repairer may not charge more than the amount you authorized. In either case, the repairer may not charge for any work you did not authorize. If you have concerns about the work or repairs performed by the repairer or about your rights or duties under the Consumer Protection Act, 2002, you should contact the Ministry of Consumer and Business Services.
