Thank you for being a loyal Eastlink customer. We want to remind you that your current internet promotional price ends in June, which means that the price of your internet will increase by \$10. This remains below regular monthly internet rates as it reflects a new 12 month loyalty credit that we are automatically applying to your monthly bill, starting in June.

Monthly rates are subject to change so if the regular internet price increases, your monthly price will increase. However, your new monthly loyalty credit will not be affected.

We value your business and are here to help if you have any questions about this change.
