10-Digit Dialing
COMING SOON

Home Phone & Business Voice

Starting on November 15, Tbaytel Home Phone and Business Voice customers will be required to dial 10-digits (807 + 7 digit phone number) for all local calls. This change is mandated by the CRTC to support the new national 9-8-8 emergency number for mental health and suicide prevention services.

For a seamless transition to 10-digit dialing, add the 807 area code to all local programmed numbers in your telecommunications equipment.
