**Note: Wawatay Radio does not provide additional airtime or refund on delayed live broadcasts. Please start on time. Thank you.**  
 These dates will remain available to other customers until payment in full is received.  
 As part of our new standards and commitment to all our customers, a broadcast hour is 52 minutes, as we are required by the CRTC to run at least two legal station ID's every broadcast hour. Also, we reserve the right to air no more than six (6) minutes total per hour of previously sold air time.
