Student Responsibilities

It is your responsibility to ensure that entrance and licensing requirements for each course are met. See the description of your course for requirements.

Refund of Fees

Unless otherwise noted, Northern College Timmins Campus will refund a registration fee for cancellations received, in writing, 6 business days prior to the course start date. If a registered participant does not cancel and fails to attend the course, it will be treated as a late cancellation and no refund will be issued. This procedure also applies to business and industry clients for employee confirmations whereby an invoice would be applicable rather than a refund. If a participant is substituted for another, full payment will be applied to the replacement's registration.

Should a course not have sufficient registrations, Northern College reserves the right to cancel and/or postpone the course. Students will be notified and have the option of a full refund or transferring into the next available course.
