All Shaw Services are provided to you in accordance with the Joint Terms of Service (as amended), Acceptable Use Policy applicable to your service, and the Privacy Policy, all located at [www.shaw.ca](http://www.shaw.ca). If you do not have access to the Internet, our customer care representatives will be glad to provide you a print copy by mail.

## The Internet Code

The Canadian Radio-television and Telecommunications Commission (CRTC) has established a mandatory code of conduct (Internet Code) for Internet service providers (ISPs) effective as of January 31, 2020. The Internet Code is designed to make it easier for Canadians to understand their Internet service contracts, to prevent bill shock, and to make it easier for Canadians to switch ISPs. It ensures customers benefit from increased clarity in their interactions with ISPs; from clearer prices, including for bundles, promotions, and time-limited discounts; and from increased clarity around service calls, outages, security deposits, and disconnections. You can find more information regarding the Internet Code here:

<https://crtc.gc.ca/eng/internet/codesimpl.htm>

## Phishing emails are on the rise

Phishing is the fraudulent attempt to obtain sensitive information such as usernames, passwords and credit card details, often collected for malicious reasons, by disguising as a trustworthy entity (i.e. Shaw, PayPal, banking institutions, etc.) in an electronic communication.

You can protect yourself and other consumers by learning how to identify phishing emails and reporting them.

Visit [shaw.ca/phishing](http://shaw.ca/phishing) to find out more.
